

**Robert L. Craig School**  
**Parent/Guardian Survey**  
**2008-2009**

The Moonachie School District is in the process of planning for the 2008-2009 school year. While school wide goals and objectives are generated from a variety of sources, finding out what parents/guardians think about the quality of the education their child receives and how they feel about the school as a whole are essential.

Please take a few minutes to complete this survey and return it to the school's main office by **Thursday, January 24, 2008**. Although most of the survey items can be answered using a ratings scale format, feel free to respond more fully and completely to these items in the spaces provided. Since experiences are different for each child, please fill out a survey for each of your children. Your input and candor are important. Thank you in advance for your participation.
