March 11, 2010

Dear Grade 2 – 7 Parents/Guardians,

As we head into the final months of the current school year, we are in the process of planning for the upcoming 2010-2011 school year. In addition to its many programs, the Robert L. Craig School again will be providing a Gifted and Talented Program for selected students in grades three through eight.

Students who qualify for the program are selected on the basis of a variety of measures including academic achievement, teacher recommendation, standardized test scores and performance on a formal screening test, which is administered by Jean Gaito who runs the program. Please note that not every student who is considered for the program is accepted. Since student participation in the program is assessed each year, students who do not qualify for the program one year may be considered for the program the following year.

If you would prefer that your child **not** be considered for the program, please complete the form below and return it to the staff office by Friday, March 26, 2010. If you have any questions, please feel free to contact my office.

Sincerely,

Mark Solimo  
Superintendent

-----  
Please do **not** screen my child for the Gifted and Talented program.
