

Thanks giving Food Drive

The Robert L. Craig School is having a food drive along with St. Margaret's Church in Little Ferry. Please send in non-perishable food items and paper products to the school throughout October 2009 that will be used to help families in need. Examples of great donations include:

- ◆ Canned items—Vegetables, Fruit, Tuna, etc.
- ◆ Boxed items—Potatoes, Pasta, Cereal, etc.
- ◆ Household Items—Napkins, Plastic Utensils, Paper Towels, etc.

A St. Margaret's Food Drive box is located in each homeroom. The seventh grade Character Education Program students will pick up the donated items from your child's homeroom on Wednesday mornings.

Please make sure all donations are in by Wednesday, October 28, 2009. Your generosity will make sure that no one goes home hungry this Thanksgiving.

Every donation makes a big difference!
