

# FAM-LYCARE

Affordable health coverage. Quality care.

Offered by the State of New Jersey

Jan S. Corzine, Governor  
State of New Jersey

NJ FamilyCare provides quality free or low-cost health coverage for uninsured children 18 and younger and low-income parents. This program already covers more than a half million New Jersey children.

### What's Covered?

NJ FamilyCare offers full health care coverage through established Health Maintenance Organizations (HMOs) that operate throughout the state.

NJ FamilyCare covers just about every health care need, including:

doctor visits  
prescriptions  
lab tests

x-rays  
hospitalization  
dental (for most kids)

eyeglasses  
mental health services  
specialist visits

### Who is Eligible?

Only children 18 and younger and certain low-income parents living in New Jersey are eligible for NJ FamilyCare. Eligibility is based on a family's size, including children and parents, and monthly income. Assets are not considered. (See the chart at right.)

### What Does it Cost?

For many families, it costs nothing: no monthly premiums or co-payments. For families with higher monthly incomes, there is a sliding scale for small co-payments and monthly premiums may be required.

### Are There Any Restrictions?

Pre-existing conditions do not affect eligibility. In most cases, children must have been without medical insurance for at least 3 months. Because there are exceptions, it's a good idea to call NJ FamilyCare if you have a question.

Most immigrants whose documents allow them to live here permanently are eligible. For undocumented residents, their children may be eligible if born in the U.S.
